

# RONIN

Spring 2024  
*Sake & Mead*

Howdy!

We are thrilled to share with you many new and wonderful fermentables. We make a diligent and concerted effort to populate our list with organic, biodynamic and/or sustainable items with an emphasis on small-scale production, responsible farming practices, and human connection. Our beverage program is aligned with our philosophies on food, farming, and community.

We hope you are as fond as we are of the selections that follow. Turn to the next page for our Table of Contents.

Please enjoy!
